Fabricare Draperies, Inc.
2233 Wisconsin Avenue
Washington, D. C. 20007

Dear Larry:

As we discussed this morning, I would be more than happy to provide you with a letter of recommendation which reflects our firm's excellent experience and overall satisfaction with your services over the past several years.

Hogan & Hartson, a firm of approximately 120 lawyers, has used the services of Fabricare almost exclusively for the fabrication and cleaning of draperies over the last several years. Our relationship with Fabricare has been an extremely rewarding one in many respects. For example, the fabric selection which they offer is outstanding, the quality of their workmanship is exemplary, and the timeliness with which work is completed is admirable.

Larry, I would be happy to have you use our firm as a reference for your prospective new customers.

Kindest regards.

Yours truly,

Natalie S. Pace
